

Bedford Stage 3 Driver Feedback - Monday 26th October 2015.

			AM	High Score	Low Score	PM	High Score	Low Score
DRIVER NUMBER	GROUP	NAME	Comments	Skill	Skill	Comments	Skill	Skill
19	A	Russell Brewis	Competed in W2R in 2013. Good heel and toeing. Very smooth, overall a great drive.	Braking	Car Control	Great driver, great potential.	Racing Line	Throttle
617	A	Jack Johns	Very impressive. Improved consistently throughout the session.	Car Control	Gears/Clutch	Very smooth driving. Consistently fast and well driven.	Racing Line	Braking
63	A	Nick Robinson	Nice and consistent, listened well, improved every lap. Has great potential.	Racing Line	Throttle	Great confidence, always under control. Listened and applied well. Can get on the throttle earlier coming out of the corners.	Gears/Clutch	Throttle
22	A	Ryan McCaffrey	Great Listener. Progressed lots, Good confidence and good control .	Racing Line	Throttle	Overall really good, listened well and improved with every lap.	Braking	Throttle
53	A	Michael Crees	Good listener. Good lines. Needs to improve control, and occasionally held clutch in for too long. Good lines.	Racing Line	Car Control	Consistently very good throughout. Need to work on his braking but overall very good.	Racing Line	Braking
44	A	Simon Banks	Turning into corners a little early, could hold line a little longer - otherwise a great consistent drive.	Gears/Clutch	Throttle	Listened very well. Put into practice some high techniques. Adapted his breaking for different corners. Showing real potential.	Braking	Car Control
139	A	James Edwards	Listened to instruction well. Improved every lap even through assessed laps. Improve on braking into corners more consistently.	Gears/Clutch	Racing Line	Great session. Could get on the throttle earlier out of the corners, but smooth overall.	Braking	Throttle
20	A	Oliver Cox	Needs to build confidence now. Overall good and steady, and listened well to instruction.	Racing Line	Car Control	Listened very well and improved every lap. Was relatively quick. Has potential.	Gears/Clutch	Throttle
91	A	David Waters	Needs to improve on car control especially braking. Needs to break harder consistently throughout the drive.	Racing Line	Braking	Smooth drive and consistent. Progressed well.	Racing Line	Gears/Clutch
148	A	Jamie Baker	Good steady drive. Needs to be more patient on the throttle and harder on the brakes.	Racing Line	Gears/Clutch	Listened well. Very smooth all the way through, needs to carry more speed into the corners. Finalist 2 years ago.	Racing Line	Braking

3	A	Ben Jones	Needs to improve on car control, especially on damper patches of the track. Listened well and progressed throughout the drive.	Throttle	Car Control	More consistency needed throughout the drive to help progress faster. Listened well.	Racing Line	Car Control
15	A	Callum Beament	Listened well throughout. Good braking overall. Needs to work on getting on the throttle sooner.	Braking	Throttle	Listened really well. Was fast and smooth throughout drive and felt in control.	Braking	Gears/Clutch
43	A	Craig Chamber	Steady drive. Needs to improve on braking a little but good all round.	Racing Line	Braking	Good drive, consistent throughout. Needs to push on into the braking zones and back on the throttle sooner coming out of the corners.	Racing Line	Throttle
141	A	Stuart McLaren	Good heel and toer, carried good speed into corners. A consistent drive.	Car Control	Racing Line	Work on speeding up getting onto the throttle. With more practice time this will improve.	Braking	Throttle
126	A	Michael Thomas	Needs to work on racing lines.	Car Control	Racing Line	Good drive consistently throughout. Listened well. Carried speed everywhere.	Car Control	Gears/Clutch
25	A	Rob Harding	Needs to work on his braking and his racing lines, more practice needed.	Gears/Clutch	Braking	Listened well throughout the session, fast and smooth. Was a finalist last year.	Gears/Clutch	Braking
164	A	Dominique Tranquille	Very smooth, good flow throughout. Listening well and good all round speed.	Racing Line	Throttle	Needs to work on braking harder to keep car under control. A little too aggressive with the steering.	Racing Line	Braking
165	A	Brendan Cunning	Needs to build confidence in the car now. Good racing lines and listened well.	Racing Line	Braking	Progressed as the session went on. Needs more confidence when carrying speed.	Racing Line	Car Control
510	A	Kim Enson	Could brake harder. Be a little more confident with the car. Lines good, throttle good.	Racing Line	Braking	Needs to add more speed when exiting the corners to gain speed quicker.	Racing Line	Throttle
74	A	Aaron Hughes	Listened well, just needs more time to build confidence in car. Good considering never been on track before.	Car Control	Braking	Too aggressive on the throttle. Appeared to struggle without instruction, something to build up to.	Gears/Clutch	Throttle
130	A	David Longman	Progressed throughout the session and listened well. Missing Apex's.	Throttle	Braking	Overall pretty good. Karting habits appearing at times. but still good. Needs to ensure controls car throughout.	Braking	Car Control
41	A	Michael Blythin	Never driven on track before - Listened well. Progressed throughout, just needs more track time.	Braking	Gears/Clutch	Needs to work on gears. Needs to practice on his heel and toeing.	Throttle	Gears/Clutch
153	A	Charlotte Eyre	Needs to build confidence to improve on all racing components. Work specifically on gears and clutch control as well as overall car control.	Throttle	Gears/Clutch	Needs now to really build confidence. More practice needed in the car to get a real feel for it.	Racing Line	Car Control

160	A	Glenn Tyrrell	Needs much more practice in the car to improve on focus when changing gear, keeping eyes on the track. Needs to work on lifting the throttle when changing gears up.	Racing Line	Car Control	Needs to be smoother with the clutch. Smooth steering input. More brake pressure needed - and would benefit from driving in racing boots.	Racing Line	Gears/Clutch
187	A	Uche Okpala	Needs much more car time to build up confidence and control. Specific focus needed on gears and clutch.	Racing Line	Gears/Clutch	Needs to work on car control throughout the drive. A focus needed on all component parts of racing.	Racing Line	Gears/Clutch
70	A	James Doherty	Needs to work on car control.	Racing Line	Car Control	Locked all wheels on the last corner 1st lap out. Car was cold due to issues, but needs to work on car control to build confidence.	Racing Line	Car Control
208	B	Chris Etheridge	Very good, all round consistently good.	Car Control	Gears/Clutch	Really strong. Great confidence, great control. Listened well.	Car Control	Gears/Clutch
499	B	Bond To	Listened very well. Very confident - the right amount. Good control. Be more patient with the throttle/harder on brakes at times.	Car Control	Throttle	Very good. Great on the brakes and great with gear changes throughout the drive.	Car Control	Throttle
636	B	Dominic Gregory	Very good from start to finish. Listened well and carried good speed everywhere. A very consistent drive with great potential.	Car Control	Gears/Clutch	Good Driver. Can afford to be a little later on the brakes at times.	Racing Line	Braking
645	B	Leigh Ebanks	Listened well and applied it perfectly. Always under control. Massive progression in all areas with great potential.	Gears/Clutch	Throttle	Strong drive. Consistently very good throughout.	Car Control	Throttle
508	B	Callum Jones	Overall very good, listened really well. Carried good speed and good technique throughout.	Car Control	Throttle	Listened well. Very consistent. Fast and smooth. Good driving with great potential.	Car Control	Gears/Clutch
595	B	Phil Ingram	Real good drive. Good driving technique and consistently smooth throughout. Good driver.	Car Control	Throttle	Fantastic drive. Very strong, great potential. Consistent in all areas.	Car Control	Gears/Clutch
470	B	Greg Mcilwraith	Listened well, felt very comfortable with his speed throughout. Good car control, smooth drive.	Car Control	Gears/Clutch	Very good from the start, listened really well. Carried great speed throughout. Very Good.	Racing Line	Throttle
204	B	Martyn Smith	Could improve on car control at times. Steady drive, overall good.	Throttle	Car Control	Improved every lap, listened very well and put into practice what was being instructed.	Racing Line	Gears/Clutch
266	B	Chris Sainsbury	Selected 2nd gear too early after overtaking another car. Improve on car control at times.	Braking	Gears/Clutch	Progressed really well. Listened to everything and drove smoothly and consistently.	Racing Line	Car Control

546	B	Alexander Bolden	Needs to improve on driving on uninstructed laps. Improve on car control consistently throughout the drive.	Racing Line	Car Control	Improved every lap nice and smooth and consistent. Just needs to build confidence and experience in the car now.	Racing Line	Throttle
476	B	John Donnelly	Kept locking rear wheels on downshift. Needs to carry more speed throughout.	Braking	Gears/Clutch	Smooth drive style. Could be later and harder on the brakes & a bit more aggressive on the throttle.	Racing Line	Car Control
386	B	Anthony Jordan	Karter, never driven a car before. Needs more experience to improve on gears, just needs some more seat time and instruction.	Racing Line	Gears/Clutch	Progressed well and listened well. Just needs more confidence and to work on gears.	Racing Line	Gears/Clutch
503	B	CHRIS WEST	Progressed well, one slide - controlled well. Listened and got more confident, strong potential.	Throttle	Gears/Clutch	110% commitment, but a little too aggressive. Needs to brake harder.	Racing Line	Braking
255	B	Roger Owens	lifting into corners. Needs to work on confidence going in and coming out of corners.	Car Control	Throttle	Improved lap by lap. Was consistent, just needs to build confidence.	Car Control	Braking
205	B	Alex Nevill	Listened well - 10 years of karting experience. When coached carried the speed well. With more time he would be faster.	Racing Line	Braking	Needs to carry more speed. Needs to build confidence in the car.	Racing Line	Throttle
625	B	Arminas Matulis	Didn't brake hard enough. Needs to slow down into corners and speed up throughout. Could listen more to instruction to help improve.	Racing Line	Braking	Needs to improve on gears & throttle. To aggressive at times, calm down and work on being smoother consistently.	Racing Line	Gears/Clutch
311	B	Doug Stevens	Needs to build confidence in car. Work on car control.	Racing Line	Car Control	Needs to work on track position - creeping into the middle of track whilst on the brakes.	Braking	Car Control
390	B	Chris Gimson	Kept locking the rear wheels on the down shift. Needs to carry more speed throughout.	Throttle	Braking	Progressed as the session went on. More confidence needed with breaking and carrying speed into corners.	Racing Line	Braking
233	B	Rick Jesse	Needs to use the whole track and improve on car control consistently. Did improve as session went on.	Throttle	Gears/Clutch	Needs to brake harder. Experience will improve ability to carry more speed mid corners. Last corner was always great.	Racing Line	Braking
491	B	Warren Wright	Needs to work on car control into last corner, Didn't break & selected 3rd whilst turning.	Racing Line	Gears/Clutch	Turning in to early once I had stopped instructing. Needs to work on car control and overall drive.	Throttle	Car Control

559	B	Lip How Liew	Good lines and listened well. Needed to work on braking into turn 1.	Racing Line	Braking	Progressed well throughout the session but could improve on all component parts of the drive. Lines good.	Racing Line	Car Control
396	B	Luke Soloducha	Improved consistently. Needs to work on braking and gear changes throughout.	Racing Line	Braking	Needs to listen more. Build confidence throughout and improve on car control consistently.	Throttle	Car Control
516	B	Lip Seen Liew	Needs to listen and take on board what is being said. Turn 1 he needed to brake and resist changing gear whilst turning. Needs to work on car control.	Racing Line	Gears/Clutch	Needs much more control throughout the drive.	Racing Line	Gears/Clutch
405	B	Rafal Knapczyk	Needs to listen more. Work needed on braking and being smoother throughout drive through gear changes.	Throttle	Braking	Work on car control through turn 1.	Throttle	Car Control
565	B	Hamish Robinson	Needs to work on overall car control. Definite focus needed on gears.	Racing Line	Gears/Clutch
