

**Bedford Stage 3 Driver Feedback - Tuesday 27th October 2015.**

DRIVER NUMBER	GROUP	NAME	AM	High Score	Low Score	PM	High Score	Low Score
			Comments	Skill	Skill	Comments	Skill	Skill
152	A	Richard Harrison	Very good. Listened to everything being instructed, great potential.	Gears/Clutch	Braking	Amazing drive with great potential.	Racing Line	Throttle
143	A	Adam Riley	Drove very well from start to finish. Carried amazing speed everywhere. Has great potential.	Racing Line	Braking	Mega, great control. Listened and applied very well.	Car Control	Braking
50	A	Mark Stephenson	Listened very well. Progressed all the way through and was fast and smooth. Great potential.	Car Control	Throttle	Very good from the beginning. Listening very well and had good confidence with speed.	Racing Line	Car Control
26	A	Max Teichert	Overall really good. Kept grabbing 1st gear but good lines and carried good speed.	Racing Line	Gears/Clutch	Very strong. Locked brakes once into T1. Some more experience and he will have great potential.	Racing Line	Braking
48	A	Jamie Girven	Left foot breaking. Great heel and toe. Too keen on the throttle. Patience needed. Slower in, faster out.	Gears/Clutch	Car Control	Was pushing the car quite hard. Overall really strong. Work on car control to keep on track, but great potential.	Throttle	Car Control
269	A	Callum Cripps	Very good from start to finish. Feels like he could give more now. Great potential.	Car Control	Gears/Clutch	Progressed well. Needs to work on changing gear up the box. Smooth and fast with great potential.	Car Control	Gears/Clutch
257	A	Jeremy Dyas	Listened and improved massively. Great car confidence. Next time use all of the tracks. Work harder on the brakes. Definite potential.	Car Control	Braking	Overall really good, have more confidence in your ability and work on braking. Very Strong.	Racing Line	Braking
348	A	Tyla Keveth	Struggled on assessed lapse once I stopped talking. This guy really wants it though. More track time needed to build confidence and ability.	Racing Line	Gears/Clutch	Naturally brilliant driver, just trying a little too hard. Needs to pull it back 10% to give a smoother drive.	Racing Line	Throttle
11	A	Munir Choudhury	Listened well throughout. Needs more confidence in the car with carrying speed into corners - good heel and toe. Great potential.	Throttle	Braking	Very good from start to finish. Listened really well and has great potential. Very strong.	Car Control	Throttle

52	A	Toti James Misso	Overall good. Needs to work on the gears now. Carried very good speed everywhere.	Racing Line	Gears/Clutch	Good session, good consistency, good input and feel. Be smoother when back on the power.	Racing Line	Throttle
42	A	Scott Elliott	Good driver. Just needs a bit more practice. Listened very well.	Car Control	Throttle	Progressed well struggled with the tyre roll but got more confident at the end. Great potential.	Racing Line	Gears/Clutch
121	A	Luke Cousins	Good up until he lost control. Ran wide on the last turn. Work on car control and racing lines.	Gears/Clutch	Racing Line	Progressed well, super smooth. Good brake technique. Turn 2 don't cut back as much. Look up to exit to get back to full	Braking	Car Control
105	A	Tyler Chase	Trying a little too hard on first assessed lap and lost control. Smooth but needs more speed now in a controlled way.	Racing Line	Car Control	Good strong driver, nice and smooth with great potential.	Gears/Clutch	Throttle
95	A	Damian Ghoddusi	Built up very nicely. Very smooth. Listened very well. Needs more speed. A little too keen on the throttle but strong potential.	Racing Line	Throttle	Listened very well. Progressed throughout the session. Need more confidence carrying speed. Heel and toeing	Gears/Clutch	Car Control
222	A	Brandon Williams	Did a lot better on non instructed laps. Had listened well and put it into practice. Needs to work on car control now and	Racing Line	Gears/Clutch	Strong, good drive, consistent and smooth with great potential. Work on gears needed.	Racing Line	Gears/Clutch
49	A	James Tumilty	Improved with every lap. Strong and smooth drive, improve again this afternoon and we will be seeing great potential. Work on gears.	Racing Line	Gears/Clutch	Super smooth and in control. Got to hook lines up. Good braking, input and throttle. More track time and this driver will be great.	Gears/Clutch	Racing Line
117	A	Michael Rowley Jnr	Great progression throughout the session. Just build on confidence and experience in the car now.	Car Control	Racing Line	Grew in confidence as the session went on showing potential, just more track time needed now.	Car Control	Gears/Clutch
118	A	Simon Marshall	Good control & confidence. Pushed on within limits. Get braking and throttle more. Consistent.	Car Control	Throttle	Very good but got a little too confident and lost some control. Keep focused.	Racing Line	Car Control
315	A	Matt Sinden	Improved a lot, if he continues and impresses in next session we will see great potential.	Gears/Clutch	Braking	Needs to work on turning a little later. Super smooth inputs, be more consistent throughout.	Car Control	Braking
76	A	Paul Sharp	Needs to keep to track limits. Too much opposite lock. Work on drive and consistency.	Braking	Throttle	Built up speed well and was quick and controlled in the end without instruction. More track time and experience needed in the car now.	Throttle	Racing Line
51	A	Richard Ashmole	Nice safe driver. Didn't have enough aggression for more. Needs to be more committed but had a good feel.	Gears/Clutch	Throttle	Needs to listen more. Good. Just watch track positioning - creeping into the middle whilst on the brakes a little.	Gears/Clutch	Braking

97	A	Harry Moore	Lost control at last corner and struggled with gears. Kept clutch in for too long. Needs more manual car practice to develop this.	Racing Line	Gears/Clutch	Carried good speed and listened well. More car practice needed to develop on all elements of the drive.	Racing Line	Car Control
296	A	Dave Oldacre	Listened well throughout. Did what I wanted in the 2 assessed laps. Needs to build confidence in the car now.	Racing Line	Car Control	Needs to work on being harder on the brakes now.	Gears/Clutch	Braking
115	A	Trevor McCullagh	Progressed well throughout. Needs to work on car control to ensure consistency throughout the drive.	Racing Line	Gears/Clutch	Needs more confidence at the start but built up over time. More time in the car needed now to build confidence and	Racing Line	Car Control
174	A	James Bailey	Progressed well but was too aggressive on the turn which resulted in loss of car control.	Racing Line	Car Control	Carrying too much speed consistently for ability. Car control needs focus.	Racing Line	Throttle
184	A	Daniel Kelso	Need to relax more. Must brake harder. Good lines and listened well. Took onboard all the advice and put it into practice at the end of the session.	Racing Line	Braking	Progressed well but needs to work on confidence in carrying speed throughout the drive. More track time needed for experience.	Racing Line	Car Control
424	B	David Williams	Very good car control. Listened really well and showing great potential.	Car Control	Braking	Mega. Very confident and smooth. Strong potential.	Car Control	Throttle
608	B	Robert Turner	Overall good driver. Steady and consistent.	Gears/Clutch	Braking	Great drive, very confident, great control. Make sure you are straight before hard braking. Good potential.	Car Control	Braking
594	B	Darren De Mattia	Very impressive. Needs to work on changing from 2nd to 3rd but overall showing great potential.	Braking	Gears/Clutch	Overall really good. Missed a few gears and got a few lines wrong but on the whole pretty good. With a little more experience will be great.	Racing Line	Gears/Clutch
576	B	Miles Rudman	Brake harder. Super smooth, confident and good drive. Showing strong potential, overall really good.	Car Control	Braking	Very good. Definite potential. Strong drive consistently.	Racing Line	Car Control
481	B	Michael Shepherd	Amazing brake control. Overall strong, good consistent drive.	Braking	Gears/Clutch	Overall good. Some little mistakes happening throughout the drive which did lead to loss of control at one point.	Racing Line	Gears/Clutch
575	B	Christian Bridgland	Progressed really well, confident with the moving around and showing great potential. Listened to instruction and put it into practice.	Car Control	Throttle	Very good left foot. Braking good overall. Just needs a bit more speed now.	Braking	Throttle

412	B	Jack Wilson	Needs to work on some of his gear changes, went into 2nd @ final corner. Great confidence, feel and control. Great braking. Calm it down 5%. Showing good	Braking	Throttle	Listened really well throughout session, put the car where I told him to go. Overall a good consistent drive.	Racing Line	Braking
586	B	Mark Jones	Overall really good. Just need to work harder on the braking.	Racing Line	Braking	Left foot braking. Heel and toeing. Smooth and fast showing definite potential. Listened really well.	Car Control	Throttle
602	B	Robert Golding	Braking consistently. Great pressure. Be more patient on the throttle. Progressed well.	Car Control	Throttle	Good all round driver. Needs to keep perfecting car craft	Braking	Gears/Clutch
584	B	Matthew Harris	Good on the brake, needs to work on keeping the wheel straight whilst on the brakes.	Braking	Car Control	Good lines and good patience on the throttle. Progressed braking well, but lost a little control.	Racing Line	Car Control
634	B	Cleveland Pickering	Listened well and progressed well. Keep improving braking now. Look further ahead at reference points.	Gears/Clutch	Racing Line	Listened really well to advice given. Good confidence. Just had a lack of speed. More experience and track time will help with this.	Racing Line	Throttle
507	B	Anil Sharma	Great progression in the session. Listened well. Kept braking. Lost control at one point.	Racing Line	Car Control	Took his time so a steady drive. Develop all elements of the drive now. More experience needed.	Racing Line	Braking
614	B	Claire Thompson	Good feel. Needs more confidence in car now as lost a little control on first assessed lap - more track time should help with this.	Racing Line	Car Control	Needs to develop confidence in carrying speed into the corners. Nice and smooth and could be coached, more experience on track now.	Gears/Clutch	Car Control
568	B	Janos Bodzan	Impressive assessed lap. Needs now to brake harder. Build confidence with brakes. Overall good lines and listened	Racing Line	Braking	Too early on the throttle. Focus on this now to develop car craft further.	Racing Line	Throttle
604	B	Alex Burke	Progressed well through the session. Needs more confidence with the car. More track time needed now.	Racing Line	Car Control	Feedback not available for session.		
498	B	Miles Proctor	Needs work on heel and toeing as he was practicing this at times and it wasn't right. Once this stopped after being instructed he improved massively.	Racing Line	Gears/Clutch	Listened and progressed well especially with braking technique. Learn to balance the throttle to maintain balance out.	Racing Line	Car Control
438	B	Elsbeth Rodgers	Lacked in confidence - needs to grow more confidence & speed now. Needs to be more aggressive.	Braking	Car Control	Very smooth with good car control. More track time will help with confidence and ability.	Racing Line	Car Control

567	B	John Stanbrook	Very impressive on the brakes. I pushed him and at one point there was a little loss of control. Overall good.	Braking	Car Control	Needs more confidence in the car now, needs to work on braking later and being smoother with gear changes.	Racing Line	Braking
541	B	James Love	Needs more time and experience in a car now. Very new to it all. Needs more confidence and speed throughout.	Racing Line	Car Control	Selected 1st gear going into last corner which led to loss of control. More experience in the car needed now to build confidence and ability.	Throttle	Gears/Clutch
410	B	Chris Cook	Progressed well throughout. Needs to build confidence now to keep car under control consistently.	Racing Line	Car Control	Really improved throughout the session. Needs more confidence and time in the car now.	Racing Line	Car Control
514	B	Henry Austin	Too aggressive on throttle - needs to listen more through assisted laps to help develop skills.	Racing Line	Throttle	Improved a lot but a little too aggressive with input.	Racing Line	Throttle
624	B	Louise Alexander	Needs much more time in the car now on track to build confidence in me the instructor. More car control needed.	Racing Line	Car Control	Under control, just needs more practice now. Safe drive.	Braking	Car Control
619	B	Graham Padmore	Needs to work on gears, needs to remember which gear he is in for each corner.	Racing Line	Gears/Clutch	Needs to work on using the track more and car placement.	Braking	Racing Line
408	B	Colin Reynolds	Needs to slow down under yellow flag. Braking and gears need focus now to develop more.	Racing Line	Braking	Need to release the steering when coming out of the corner.	Braking	Racing Line
511	B	Daniele Ignazi	Needs to work on car control consistently now. More track time and experience needed to build confidence behind the wheel.	Racing Line	Car Control	Smooth input and good lines. Make sure you break properly and consistently	Throttle	Car Control
644	B	Murray Behrens	Needs to listen more to ensure he has full control over the car. Needs to build confidence and experience.	Racing Line	Throttle	Feedback not available for session.
